

MILL HILL U3A

GROUPS UPDATE - 23/10/20

Beginners Bridge (Robert Appleson)

Robert to set this up if there is enough interest. Please send an email to the address at the end of the document if you are interested.

Book Appreciation Group (Liz Kettle)

The format has been that people come along with a short review of any book they have read and we go round the group and everyone has a chance to talk about what they've read and we can all discuss it. Since the arrival of Covid, we have been doing a fortnightly newsletter containing reviews sent in by members of the groups. This is all quite voluntary! The first Covid Book Newsletter went out two weeks after the start of lockdown in March and we are now up to our 18th Newsletter. This is a good way of not only keeping in touch with people, but also spreading the word about interesting books to read. Usually we have about 10 reviews - information about book festivals etc is also distributed. In fact, anything of interest in the book line can be submitted! If you would like to join the group you would be most welcome.

Kalooki (Gloria Stoll) NEW

A new group has been suggested. Send an email to the address at the end of the document if you are interested.

Line Dancing NEW

A new group has been suggested. Send an email to the address at the end of the document if you are interested.

History (Susan Raab)

Susan has had a couple of people joining groups looking at History in the Middle Ages. Interestingly, most of the countries which we think of as being of interest were too busy having revolutions etc to do anything positive. Think of France and the revolution, Britain in the Middle Ages etc fighting over religion. The country which had an interesting civilisation with science, politics, music etc, was what we now call Turkey. It was far ahead of most European countries, and controlled much of Europe and N. Africa, for centuries. Of course it was known as the Ottoman Empire in those days, and it is fascinating! If interested please send an email.

Pilates

There has been interest in this new group but plans have not been finalised. As soon as they are then you will be notified.

Italian Conversation (Yvonne Hay)

This group for reasonably fluent speakers had an enjoyable and lively first meeting. It will take place on Zoom on the third Tuesday of every month. The next session will be on the 15th December at 10.30am. Please send an email to the address at the end of the document if you wish to take part.
